Communication to Families, Return to In Person Hybrid Learning Form

Dear Deep Creek Middle School Families,

As stated in the BCPS Reopening plan, families will have ongoing opportunities to update their choices and choose in-person hybrid learning. The option applies to families who have selected virtual learning or were automatically assigned to virtual learning due to not completing the online surveys in January. Our staff will be able to accommodate requests, make necessary arrangements and work with transportation (if applicable) to ensure a smooth transition back to school. The schedule below is in alignment with the phased re-entry to school. If you did not take the online survey previously in January, automatically assigning your child to virtual learning, or completed the online survey selecting virtual learning and you would like to return to hybrid in-person learning, please submit your request at: [Deep Creek Middle Hybrid Learning Link](#)

Please use the schedule below to identify request date windows and hybrid learning start dates for students. The specific start dates will be cohort dependent (Cohort A- Mondays and Cohort B- Thursdays). Families will receive a cohort assignment message before the first day of school.
